What have you forgotten? Turn a light on? I know you, you're shaking, they haven't turned anything off, and I'm just a little weak on my feet, could you light my candle? What are you staring at? Nothing Your Hair in moonlight Do you look familiar Can you do it? Just didn't eat much today At least the room stopped spinning anyway, what? None of your smile reminded me that I always remind people of who she is? She died Her name was April It's again sorry for your girlfriend Can you light my candle? Think so? Owl Oh, wax, it's dripping! I like between the fingers, I thought, well, good night it exploded again? No, I think I dropped my stash I know I saw you, and about when I used to get out your candle, I illin' I was when I walked in the door It was pure It's on the floor? Floor? They say I have the best below 14th Street. A what? You're watching oh no, I mean, you've got a good one, I mean, you look familiar, like your dead girlfriend, just when you're smiling, but I'm sure I saw you somewhere else. That's where I work, I dance Yes! They're tying you up. Why don't you forget about it? You look like you're sixteen, I'm nineteen, but I'm old for my age, I'm just born to be bad, I was once born to be bad, I used to tremble as if I didn't have heat, I told you what I used to sweat I got a cold Uh huh, I was once a junkie But at times I wanted to uh Feel Good Oh here it?? This is a bar wrapper that we could light a candle about, what did you do with my candle? This was my last match Our eyes will adjust Thank God for the moon Maybe it's not the moon at all I hear Spike Lee in the downed street bach hoax, bang humbug Your cold hands too big as my father do you want to dance? With you? No, with my father I'm Roger They call me They call me Mimi ROGER What would you forget? MIMI Is There Light? ROGER I know you?
